The return of the contract and payment shall constitute an agreement for the use of exhibit space. Full payment is required to reserve booth space and should be sent with the exhibit contract. Acceptable forms of payment include checks and major credit cards. Payment by check must be received within 14 days of reservation or your reservation may be forfeited.

Exhibit Booth Cancellation/Withdrawal

Exhibitors who cancel after December 13, 2024, will be obligated to make full payment and will forfeit all monies paid. No refunds will be made after November 29, 2024., unless NATSAP has contracted and received payment for all Exhibit Hall space. In such a case, NATSAP will refund all monies paid except the \$100 service fee. Failure to appear and occupy booth space does not release the exhibitor from obligation to pay for the rental's full cost.

Installation and Dismantling of Exhibits Installation/booth set-up should take place on January 27, 2025. All exhibits must remain intact until the final closing hour of the Exhibit Hall; packing up or dismantling exhibits prior to Thursday, February 9th, at 10:00 am will require specific permission.

Exhibitors are responsible for keeping the aisle(s) near their booths free of congestion resulting from demonstrations or other promotions. No exhibitor shall assign, sublet, or share the space allotted without the knowledge and consent of NATSAP.

Organizations or firms not assigned

Rules & Regulations

Exhibitors are urged to report any violations of this rule to NATSAP staff. Exhibits that include the operation of musical instruments, radios, talking motion picture/video equipment/computer, public address systems, or any noise-making machines must be conducted or arranged so that the noise resulting from the demonstrations will not annoy or disturb adjacent exhibitors. Operators of noise-making exhibits must secure NATSAP approval of operating methods before the exhibit opens.

Inability to perform

If NATSAP should be prevented from conducting the Annual Meeting by any cause beyond its control, NATSAP will refund to the exhibitor the amount of exhibit fee paid, less a proportionate share of NATSAP expense, and NATSAP shall have no further obligation or liability to the exhibitor.

These regulations, as stated, constitute a part of the contract between the exhibitor and NATSAP and have been formulated to protect the best interests of all concerned. The full cooperation of exhibitors in observing these regulations is requested. Any points not covered are subject to discussion with, and decision by NATSAP.
